DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,  
and do hereby grant the same, subject to the following limitations and  
conditions:

DENY same, on the ground that its approval would interfere  
with prior existing rights.

The amount of water to be appropriated shall be limited to the amount  
which can be applied to beneficial use, and not to exceed  
cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or  
before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial  
use must be filed with State Engineer on or before

WITNESS MY HAND AND SEAL this 7th day  
of August, 1931.

State Engineer.
